October 2026 Community Update.

Community Town Hall: 1000 18th Avenue Revitalization

The Center for Community Systems invites you to an open community dialogue regarding the recent environmental assessment of the 1000 18th Avenue brownfield site in Newark. We want to hear your voice as we plan the next steps for our neighborhood.

Visualizing Our Future

- *Using NJDEP DataMiner, we have mapped 50 local sites across Essex County to track their environmental status. Join us on October 15th at 6:00 PM at the community center to review the geospatial data and*

*share your vision for
redevelopment.*

“Transforming environmental liabilities into community assets”
